

To Whom It May Concern

I have had the privilege of working with NazrulTransport Agency for the past several years. I consider it to be an honor to write a letter of recommendation for **Nazrul Transport Agency**.

My relationship with Nazrul Transport Agency is one of mutual and professional respect along with years of friendship. Had led to start of this relationship but the partnership exists today because of a deep level of trust and respect.

Over the past several years Nazrul Transport Agency has shown their involvement and sense of urgency in getting the job done. They are available 24/7 to answer questions, move shipments, contact key personnel to help solve disputes or just track those "Solar deliveries" anytime of the day or evening. Nazrul Transport Agency takes it upon himself to stay involved in the day to day shipments and is always reaching our, (without being asked) to see if there are any issues that we need him to help solve.

I have no reservation in strong recommendation **Nazrul Transport Agency** as a future partner with any company
